

HIMSS NORTH CAROLINA CHAPTER

SPONSORSHIP PROGRAM

2022-2023

The North Carolina Chapter of the Healthcare Information and Management Systems Society (NC HIMSS) is a volunteer organization whose primary goals are to develop educational and regional networking programs and provide statewide leadership for the advancement and management of healthcare information and technology.

The North Carolina Chapter is a diverse group of 1,700+ healthcare IT professionals from across the state. Chapter members work at hospitals, corporate health systems, consulting firms, vendor organizations, universities, and a wide variety of other organizations. Our members range from senior executives to analysts and students, so sponsorship exposes you to high-level decision-makers throughout the state. We have both technical members as well as clinical members.

There are various forms of sponsorship for our events with increased benefits as the value of sponsorship increases. Your sponsorship helps NC HIMSS offer valuable educational programming at a very affordable price and will benefit your business through exposure to our session attendees. NC HIMSS is a 501(c)(6) non-profit organization.

Contact **McRay Simmons** (mcray.simmons@zones.com) or **Greg Foster** (greg.foster@centricconsulting.com) or complete the [sponsor form at www.nchimss.org](http://www.nchimss.org).
