

NC HIMSS 2023 Annual Conference
October 2-3 in Raleigh, NC

Jointly provided by Partners for Advancing Clinical Education (PACE) and North Carolina HIMSS

Target Audience

This activity is intended for physicians, physician associates/physician assistants, nurse practitioners, and nurses who are attending this meeting to gain better insights on how to demonstrate value and achieve better outcomes through analytics and technology.

Educational Objectives

Upon completion of this activity, participants should be able to:

- Gain better insights on how to demonstrate value and achieve better outcomes using the power of information and technology.
- Delve into the potential of digital solutions in shifting the healthcare paradigm from disease treatment to enhancing health.
- Identify the complexities of today’s cybersecurity challenges in healthcare and how they impact organizations.
- Examine the impact, promise, and pitfalls of Artificial Intelligence (AI) in healthcare.
- Demonstrate the value of data and analytics to reduce costs, improve health, and improve the patient experience.

Faculty and Disclosure of Conflicts of Interest

PACE requires planners, faculty, and others who are in a position to control the content of this activity to disclose all financial relationships they may have with ineligible companies. All relevant financial relationships are thoroughly vetted and mitigated according to PACE policy. PACE is committed to providing learners with high-quality accredited CE activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

The **faculty** reported the following financial relationships or relationships to products or devices they have with ineligible companies:

Faculty	Conflicts of Interest
Mina Boazak, MD, MMCi	Owner: Animo Sano Psychiatry Consultant, Advisor, Speaker: Holmusk
Eric Poon, MD, MPH	Advisor: Triomics, RL Datix
Mike Rucker, PhD	Employee: Active Wellness
Mohammad Shahsahebi, MD	Individual public traded stocks and stock options: Moderna

All other **faculty** have no relevant financial relationship(s) with ineligible companies to disclose.

The PACE planners and others have no relevant financial relationship(s) to disclose with ineligible companies. The North Carolina HIMSS planners and others have no relevant financial relationship(s) to disclose with ineligible companies .

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Partners for Advancing Clinical Education (PACE) and North Carolina HIMSS. PACE is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Education

PACE designates this live activity for a maximum of 9.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Continuing Professional Development

The maximum number of hours awarded for this Nursing Continuing Professional Development activity is 9.5 contact hours.

PA Continuing Medical Education

PACE has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 9.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

Instructions for Credit

To receive CE credit, learners must follow these steps:

1. Visit <http://www.paceducation.com/HIMSSNCOct>
2. Complete the activity evaluation
3. Upon completion of all evaluation questions your credit will be made available for download immediately.
